Successfully communicating with others in American Sign Language (ASL) starts with learning to sign the manual alphabet, numbers 1 through 10, important expressions, and important one-word questions. And because good communication also involves manners, learning some basic do's and don'ts of Deaf etiquette is also helpful.

## **American Sign Language For Dummies Cheat Sheet - dummies**

I learn sign language with the children in my care. My favorite part is watching them concentrate on their fingers and hands to get them in just the right position to say the word. We mostly sign at the lunch/snack table. The older ones (4 & 5yrs.) are signing in sentences since we naturally add words as some are mastered.

## **Teaching American Sign Language: 5 Fun Activities**

The Best Way to Learn ASL for Beginners. As with learning any type of language, it takes time and persistence to develop communication skills through sign.
