Simply Notice is written from an experience of the "Present" state of consciousness and is explaining it from "there". Noticing "Present Awareness" in its "All Present Aliveness" is the key I believe that unlocks consciousness off the ALL. As a non-dual reality existence, the author gives some exercises in the practice of noticing awareness.

itself. It's like taking a self-guided tour of your Self. False beliefs are dropped, and incredible discoveries are made about how Life really works.

Simply Notice | Peter Dziuban

“Peter Dziuban’s book, Simply Notice is simply one of the best in the growing category of books leading us to our innermost nature as consciousness, awareness. Why? Why? Because it offers a cornucopia of everyday life experiences, common to us all, wherein the direct experience of pure awareness or ‘nonduality’ is noticed, enlivened and lived, within and without.

Your awareness is like the clear glass of a windshield-and through it you experience every bit of your life.

Awareness is inherently pure and clear. But it can get covered with sludge-of negative thoughts and emotions, and false beliefs. The simple noticing techniques in this book act as wipers to keep your windshield clean.
