Some ways to actively listen include: listen twice as much as you speak, listen with your whole body, be alert and interested in the other person, refrain from interrupting and reflecting back what you have heard. Remember - "The most basic of all human needs is the need to understand and be understood.

9 Effective Communication Skills

Improving your listening and speaking skills. Listening and speaking are two of the four language skills. The other two language skills are reading and writing. Some people find they can speak well but can't understand when someone speaks back to them. Others find that listening to others feels easier than creating their own sentences in English.
