Isle of Skye (Walkhighlands)

Scrambling routes involve the simplest form of rock climbing and mark the cross-over from hill-walking to climbing. The thrill of moving confidently whilst in exposed positions makes it a very popular activity. An explanation of what scrambling entails can be found on the Scrambling Information page and an idea of what to expect on the Why Choose Skye Guides page.

Scrambling - Skye Guides

By any standard Blencathra is a charismatic mountain. Grooved by deep gullies and buttressed with ridges, its steep southern wall dominates the wide dale at its foot. But tucked away around the back is the real star attraction, perhaps the best and certainly the most famous ridge scramble in England, the knife-keen sickle of Sharp Edge.

UKH Articles - Britain's Best Grade 1 Scrambles

A collection of scrambling walks and climbs in the Peak District, some less well known than others! They are organised here by area and difficulty, and some personal favourites too! All scrambles could be considered dangerous, so taking the appropriate care is advised, following our grading recommendations.

Peak District Scrambles - UK Scrambling Walks

Scrambling in Scotland. Some of the best mountain days in Scotland can involve scrambling, which is the grey area between hill walking and rock climbing: the challenge and satisfaction of moving freely over rocky terrain and clambering over rugged ridges in wildly impressive situations. Many look on it as a halfway house between walking and rock climbing: hard enough to have to use your hands, but not hard enough to use a rope.

Scrambling | Mountaineering Scotland

Although the author declines to grade his offerings for degree of difficulty, it is clear that walking on Skye can present both challenges and rewards for the fit and competent walker and scrambler. The book has an introduction for those unfamiliar with Skye, including its history, wildlife, and especially its weather.
