Click on the red Epic button - Tools - SmartPhrase Manager. 2. In the SmartPhrase selection box you can filter your choices by user or phrase to edit a phrase that has already been created or you can create a

Creating SmartPhrases - University of Virginia

I previously wrote that I have done a lot of customizations to Epic. In this post I'll explain how I use SmartPhrases. These are text, ranging from one word, to multiple pages of material, generated by typing the name of the SmartPhrase, preceded by a period. My approach is to be modular in creating SmartPhrases, as I'll demonstrate below.

Epic SmartPhrases - World's Best Site - Thoughts on ...

SmartTexts are the original documentation tool in EpicCare. This tool pulls all of the elements together to create a note template for documentation. Over time, the development of the SmartPhrase Editor borrowed heavily from the SmartText Editor and made the tools much more similar than they once were.

If you are really lucky, you can kind of get in the smart list editor through a sort-of back door, through that search function on the right. It depends on how IT set it up. At one institution I had access, at another I didn't. PM me if you have questions. EDIT: *** should be at the end of the list by default, and you don't have to add it.

Seeking an Epic Wizard for help with electronic witchcraft ...

The downside to the Epic list is that, it's just the baseline list and doesn't include ones added at the system level (or remove ones that are replaced at the individual system level). There is reportedly a magical list at my home institution, but nobody, including my Epic ITG insider and Physician Epic director, have any idea where it is.

Sweet Epic Tricks. | Student Doctor Network

SmartPhrases are similar to SmartTexts, but can be personalized. A new "Personalize" button on the Epic toolbar helps tailor SmartPhrases, order sets and preference lists. Refer to this Personalization Guide to find a list of tip sheets for personalizing what you use frequently.

Tips and Tricks for Getting the Most out of Epic

Open the Epic SmartList Editor, located in the Clinical Content section of the Administrator Dashboard. Note: You must have the appropriate Security Point (40-Edit SmartList) in order to access the SmartList Editor. To create a new SmartList record, use the Create tab and enter in a new name.
