Standing in the Circle, Oxford, England, is a wonderful place to wander, the narrow cobblestone lanes take you on a journey back through the centuries as you cross old stone bridges and pass some of the most famous landmarks in Britain. But not all the cobblestone streets in Oxford lead to places of romance and beauty, one led to a place of execution and death.

### Standing in the Circle - The Incredible Journey

The 60-minute kaizen exercise we call "stand in the circle" originates in the teaching method Taichi Ohno used which involved a piece of chalk, a circle drawn on the concrete floor, and a manager left to stand in it for hours. Ohno would return to check on what the manager had learned through observation.
