Woah! There's been a search function on this site all along? Well slap my ass and call me Sally! I really figured it would be easier to ask a broad question for the field and solicit some opinions (as is the whole point of TGP) rather than singling out one user and then diving through all of his long and detailed posts to try and piece together which 5 rack delays he talks about most.

What are your top 5 rack delays of all time? | The Gear Page

Looks great Rick. I'm glad it's not just me that always seems to come home with less than I went with. No matter how many photos I take, 8 times out of 10, there'll be a clip or something missing
