The Conquest of Bread is an 1892 book by the Russian anarcho-communist Peter Kropotkin. Originally written in French, it first appeared as a series of articles in the anarchist journal Le Révolté. It was first published in Paris with a preface by Élisée Reclus, who also suggested the title. Between 1892 and 1894, it was serialized in part in the London journal Freedom, of which Kropotkin was a co-founder. In the work, Kropotkin points out what he considers to be the defects of the ...

The Conquest of Bread - Wikipedia

In The Conquest of Bread, first published in 1892, Kropotkin set out his ideas on how his heightened idealism could work. It was all the more extraordinary because he was born into an aristocratic land-owning family - with some 1,200 male serfs - though from his student years his liberal views and his fixation on the need for social change saw him take a revolutionary path.

All the same, we maintain our contention: bread must be found for the people of the Revolution, and the question of bread must take precedence of all other questions. If it is settled in the interests of the people, the Revolution will be on the right road; for in solving the question of Bread we must accept the principle of equality, which will force itself upon us to the exclusion of every other solution.
