The Fantasy Figure Artist's Reference File is a great book for anyone to have in their library for reference.

What I enjoy most about it is the fact that the models are clothed, so that the book can be enjoyed by all ages of artists and can be shared with anyone.

However, the lesson in

“In the Figure Drawing course you learned a lot of core concepts of drawing the figure, but your training isn’t complete if you want to take your drawings from looking good to looking like masterpieces. Without an understanding of anatomy, your drawings will always feel like there’s something wrong.
