Foundations of Woodworking - Better Late Than Never. It's hard going back to school when you're "older.". It can be quite challenging. For me, however, well, .... the stars aligned, giving me the time to really evaluate what I wanted out of life. I think what sabotages our thinking is "money.". That, and our "age.".

## Online Library The Foundations Of Better Woodworking How To

Foundations of Woodworking The Foundations of Woodworking series is an extensive introduction into working with wood as a material, the tools used, their maintenance, and safety. The series is designed to be taken as a whole, however classes can be taken individually based on experience, and at the instructors discretion.

### **Woodworking - Hudson River Maritime Museum**

This book is a great introduction to hand tool woodworking. It has a couple of great bootstrapping projects at the end, and describes how to work towards accurate and reliable results. I am currently in the middle of reading Jeff Miller's "Foundations of Better Woodworking", which I also like very much, despite having a lot of overlapping material.
