You will have a tougher time in Colombia if you're an introverted gringo. To most Colombians, the very concept of introversion is foreign. Sure, there are the super-social, life of the party types that do stand out. For the most part, though, even the most reserved of Colombians is louder and friendlier than the average gringo.

This guide is about culture itself and how to change it in Crusader Kings 3. Culture determines Innovations, but is also has an affect on opinion. However, this opinion modifier is quite small, at only -5 if you belong to the same culture group, and -10 if you don't. That said, every scrap of opinion can matter given the right circumstances so ...
