powerful tools for self healing and for healing others. As an international pioneer of sound and voice therapy, over four decades Jill has perfected a unique approach to literally re-enchanting health and abundance.

The Healing Voice

The power of the human voice never ceases to amaze me. Not only does it enable us to communicate, to tell great stories, to share our problems and our successes but it also helps boost our immune system – more of this later in this post. My first experience of the power of therapeutic sound was using the voice.

The healing Voice - Suyana

Achieve Balance with Voice Toning Exercises Your own voice is a powerful healing tool for shifting your mental, emotional, and spiritual processes. Toning is the sound of your vibrating breath—a sustained single tone, with no words, no melody or harmony, and no rhythm.

Sound Healing Methods: 7 Ways to Raise Your Vibration ...

The voice can also serve as a “sound massage” tool in two ways. One way is to practice the ability to direct the physical vibration of the voice into different areas of the body. This is done by using different sounds, especially vowels, and combining them with variations in pitch and amplitude (volume).

The Sound Healer

To recover your voice after losing it, gargle warm salt water 4 times a day, but do not swallow it. Steam may also help your throat, so hold your face over a bowl of boiling water for about 5 minutes twice a day. If you like, you can add soothing essential oils like lavender or peppermint to the water.

Of Your Voice To Bring
Healing Into Your Life

I wanted to heal the sick, cast out demons, hear the Father's voice and see His visions. So I decided that learning these skills was worth investing a year. I read everything in the Bible on hearing God's voice and seeing vision. I purchased books on hearing God's voice and went to conferences on hearing God's voice.
