There is indeed a peaceful joy to be discovered in simply owning one. And this principle can be applied to almost any item we own: One coat. One spatula. One mug. One pen. One set of bedding. One television. One... Surely, the practical implications of this principle will vary from household to household.

The Simple Joy of One - Becoming Minimalist

I’m not the only one that feels this way: I recently watched the documentary Minimalism (you can watch it on Netflix) and there is a growing movement in the U.S. to live with less. The following quote from Minimalism puts my feeling of being overwhelmed by stuff into words: “So much of our life is lived in a fog of automatic, habitual behavior.

The Joy of Minimalism - Antidote

Minimalism is different than downsizing or decluttering. A minimalist will have an uncluttered life and can easily live in a smaller place than most, but a minimalist also works to have the least amount of possessions possible. Here are some things minimalists have other don’t:
