### Literary miscellany collection, circa 1795-1995

The Miscellany is here published for the first time in its entirety, and it should enhance the already lustrous reputation of one of the keenest observers of 18th-Century English life and culture. With its range of comments on literary, historical, artistic, antiquarian, and social topics—all rendered with characteristic Walpolian piquancy—this volume will exercise a broad appeal to scholars and critics."—

### Edward W. R. Pitcher - amazon.com

Literary Miscellany is divided into three sections: Writers, Readers, and Works Part 1 explores forms of storytelling, their historical origin, and significance. It talks about how writers earned (and still do) their living before they made enough money to make it their only occupation, what fueled their creativity and what were their writing ...
