Negotiation skills aren’t just for businesspeople. Negotiation training comes in handy in a variety of real-world situations, whether at work (like negotiating a job offer) or at home (like deciding whose turn it is to do the dishes). The first step to being a skilled negotiator—and finally “getting to yes”—is understanding the five basic stages of the process.

## **How to Negotiate: The 5 Stages of the Negotiation Process ...**

Negotiation skills are qualities that allow two or more parties to reach a compromise. These are often soft skills and include abilities such as communication, persuasion, planning, strategizing and cooperating. Understanding these skills is the first step to becoming a stronger negotiator.

There is a lot of lore, and I find it entertaining to read and that's good. But the problem is, there is a lot of Lore. Sometimes it's hard to change stuff in the game world because you kind of have to figure out what are the great dragons going to do about this, or xyz megacorp, or abc nation. You should probably take account of that stuff.
