### The Martian Andy Weir

The Martian is a 2011 science fiction novel written by Andy Weir. It was his debut novel under his own name. It was originally self-published in 2011; Crown Publishing purchased the rights and re-released it in 2014. The story follows an American astronaut, Mark Watney, as he becomes stranded alone on Mars in 2035 and must improvise in order to survive.

### The Martian (Weir novel) - Wikipedia

Time to start off 2015 with an unpopular opinion: I did not like how Andy Weir wrote The Martian. He writes science well, and his background in research and technical prose shows, but by page 100 the style of the book got repetitive. Watney discovers a problem. Watney worries for a sentence or two. Watney comes up with a solution.
