Art methodology refers to a studied and constantly reassessed, questioned method within the arts, as opposed to a method merely applied. This process of studying the method and reassessing its effectiveness allows art to move on and change. It is not the thing itself but it is an essential part of the process. An artist drawing, for instance, may choose to draw from what he or she observes in front of them, or from what they imagine or from what they already know about the subject. These 3 metho
