The Moral Culture Of The

Moral Culture offers a powerful revisionist thesis which should be recommended reading for scholars not only of 18th-century Scotland, but of Enlightenment intellectual history more broadly. It suggests that the 'religious Enlightenment' in Scotland grew up from 'enthusiastic' theological roots, and sought to cultivate a 'moral culture' which conduced to national spiritual regeneration rather than merely to social peace, politeness or the Anglicisation of Scottish culture.

The Moral Culture of the Scottish Enlightenment | Reviews ...

Ancient Wisdom on a Perennial Problem. Both Jerusalem and Athens - the culture of the ancient Israelites and the culture of the ancient Greeks, each of which has substantially influenced contemporary Western civilization - speak instructively concerning the role that culture plays in the moral life of human beings.

The Role of Culture in Moral Development

The Moral Culture of the Scottish Enlightenment. Shopping Cart Notice. ... In the European Enlightenments it was often argued that moral conduct rather than adherence to certain theological doctrines was the true measure of religious belief. Thomas Ahnert argues that this characteristically "enlightened" emphasis on conduct in religion was ...

Central to their interesting and thought-provoking investigation is the claim that moral cultures tend to take one of three forms: honor cultures, dignity cultures and victim cultures. Honor cultures emerge when a centralized state authority is not present or not legitimate and when people are extremely materially vulnerable.

Honor, Dignity, Victim: A Tale of Three Moral Cultures

Social and moral norms are components of culture long emphasized by prominent sociologists [46,47] and anthropologists [48,49]. They characteristically go against self-interest (demand altruism), have sanctions (even if only informal) attached to their violation, and moreover involve a shared expectation that one ought to observe it and that others expect one to observe it [50] .

Culture, morality and individual differences ...

This is no time for silence or for shirking our responsibilities as Christian citizens. Ominous signs of moral collapse and cultural decay now appear on our contemporary horizon. A society ready to put the institution of marriage up for demolition and transformation is a society losing its most basic moral sense. A culture ready to treat

Culture Shift: The Battle for the Moral Heart of America ...

During the 19th century, most Western societies began the moral transition toward dignity cultures in which all citizens were legally endowed with equal rights. In such societies, persons,...

Cultural relativism is the idea that a person's beliefs, values, and practices should be understood based on that person's own culture, rather than be judged against the criteria of another.. It was established as axiomatic in anthropological research by Franz Boas in the first few decades of the 20th century and later popularized by his students. Boas first articulated the idea in 1887 ...

The absence of moral objectivity and the assumption of ever-increasing moral growth are present in many areas of society, from social justice causes to pop culture, leaving us with no sound means by which to make genuine moral judgments beyond the subjective mantra of social progress.

The Illusion of Moral Progress - Traversing Tradition

Moral Culture = "A reasonably stable set of moral beliefs and practices, associated with an identifiable social collectivity/group, usually defined by a common core of key moral concepts" This definition is inspired by, but not the same as, the definition offered by Vygautus Kovalis in his 1977 article " Moral Cultures and Moral Logics " .

Robots, AI and the Moral Culture of Patience

This chapter critically reviews contemporary accounts of the crisis of morality, with particular attention to the arguments of Fukuyama, the free-market critics of the right, arguments concerning the demoralizing effects of technology, and arguments concerning the demoralizing effects of modern society generally. It sets out the idea of a bimoral society, in which traditional morality ...
