In the tradition of J. Anthony Lukas and Randy Shilts, journalist Jacob Levenson has woven the stories of doctors, social workers, activists, policy makers, researchers, and people living with HIV and their families in *The Secret Epidemic: The Story of AIDS and Black America* (Pantheon, 2004). In considering how AIDS eventually became a predominantly black epidemic in the United States over the past 25 years, Levenson explores the intersections among public health, crack cocaine, sexuality ...
