It is broadly understood that power and secrecy go together, but the scope of the "web" of secrets surrounding the larger nature of human power(s) is surprising. As discussed in this Volume I of SECRETS OF POWER, empowerment is difficult if the larger panorama of societal power and depowerment are not more fully understood.

One of the most potent strengths of being human is the ability to be creative. There's a wonderful sense of empowerment that comes from assembling something beautiful out of what seemed to be disorder. Songwriters know this; I've heard many describe their songwriting as a kind of therapy for the soul. Finishing a song feels [...]
