Noelle Oxenhandler's funny, lyrical, generous and informative new book begins with her intention: "I openly declare three desires—to heal my soul, buy a house and find a man—and am initiated into the art of wishing." The Wishing Year is generous because Oxenhandler is generous. She opens her life to us down to her bones, including her longtime Buddhist practice, giving her readers an inside look at her gracious process in a yearlong experiment in "desire."

The Wishing Year: An Experiment in Desire, by Noelle ...

The Wishing Year: An Experiment in Desire is a book of wishes and the journey they take Noelle on from the day they are born. While the writing of this book was strong, and many times captivating I found that there were long segments of this philosophy or that mentality of wishing which were the definite low points.
