### Theorizing Cultural Work Labour Continuity

Theorizing Cultural Work instead views cultural work through a specifically historicized and temporal lens, to ask: what novelty can we actually attach to current conditions, and precisely what relation does cultural work have to social precedent? The contributors to this volume also explore current transformations and future(s) of work within the cultural and creative industries as they move into an uncertain future.

While academic critics have persuasively challenged more optimistic accounts of ‘converged’ worlds of creative production, the debate on cultural work has leant heavily towards suggesting a profoundly new confluence of forces and effects. Theorizing Cultural Work instead views cultural work through a specifically historical lens, to ask: what novelty can we actually attach to current conditions, and precisely what relation does cultural work have to social precedent?
