About There Was a Country. From the legendary author of Things Fall Apart comes a longawaited memoir about coming of age with a fragile new nation, then watching it torn asunder in a tragic civil war. The defining experience of Chinua Achebe's life was the Nigerian civil war, also known as the Biafran War, of 1967-1970. A marriage of history and memoir, vivid firsthand observation and decades of research and reflection, There Was a Country is a work whose wisdom and compassion remind us of Chinua Achebe's place as one of the great literary and moral voices of our age.
