Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.

Toxicology Handbook 2nd Edition

This is the 2nd edition of this text; what was already a fantastic resource has gotten even better. This monograph has cut out the fluff and left only the clinically relevant information you need to manage a patient with a poisoning or toxicologic exposure. After reading the book I have placed it on the shelf in our resuscitation bay.
