The Walther P99 set new standards the moment it came out. This was the successor to the P88 and the first handgun from Walther with a polymer frame. Since that time it has been a favorite service weapon among police all over the world. It is the basis for the reliable PPQ models and cuts a good figure as a blank firing gun as well. Like the original, the blank firing version features a rugged ...

The WALTHER P99 pistol is a magazine fed, semi-automatic pistol utilizing an internal striker system to fire the cartridge. Being absent of an external hammer and the slide having a smooth contour abates the pistol from snagging on clothing when concealed. The open post sights of the P99 are designed for rapid aiming and target acquisition.
