an "admiralty court" and thus has no jurisdiction.

United States admiralty law - Wikipedia

Admiralty law in the United States developed from the British admiralty courts present in most of the American colonies. These courts functioned separately from courts of law and equity. With the Judiciary Act, though, Congress placed admiralty under the jurisdiction of the federal district courts.

Admiralty | Wex | US Law | LII / Legal Information Institute

This work analyzes the growth and formation of maritime law across the centuries, including its origin as England's admiralty law and its adoption into the United States Constitution. It sets out information on the jurisdiction and law appropriate for the carriage of goods by sea, personal injuries and death collisions, salvage and wrecks, marine insurance, and marine pollution.
