The H710 looks to continue Moto's success with Bluetooth headsets. The H710 incorporates Multipoint access letting users connect several compatible devices simultaneously.

Motorola Bluetooth Headset H710 review: Motorola ... - CNET

My H710 was a warranty replacement for my H700 which developed a battery life problem. The H710 was more than I expected and superior to the H700 in everyway. The Talk Time and Standby were better than the H700 ever was and performed as advertised. Other improvements included better volume in addition to better echo and noise suppression.
