Washington The Making Of American

In Washington, acclaimed and award-winning author Fergus M. Bordewich turns his eye to the backroom deal making and shifting alliances between our Founding Fathers and in doing so pulls back the curtain on the lives of slaves who actually built the city. The answers revealed in this eye-opening book are not only surprising and exciting but also illuminate a story of unexpected triumph over a multitude of political and financial obstacles, including fraudulent real estate speculation ...

Washington's Revolution: The Making of America's First Leader by Robert Middlekauff I was interested in reading this book because I found another of his books, "The Glorious Cause: The American Revolution, 1763-1789" (one of the volumes in the Oxford History of the United States) to be an amazing history of America's rise to rebellion. Middlekauff is a fair, thorough and accessible author.
