### Welcome To My Country A

Welcome to My Country is a beautifully written memoir, expressing well-informed insight through a fusion of imagination, poetic language and technical knowledge. An extraordinary book.

### Welcome to My Country: A Therapist's Memoir of Madness ...

Welcome to my Country is a great book that effectively shows what it means to be diagnosed with a mental illness. It is nothing to be treated lightly. To do so would be insensitive. I was quite surprised on the author's use of descriptive language. I am so used to doctors writing being so frank and succinct that Dr. Slater descriptions surprised me.

### Welcome to My Country : A Therapist's Memoir of Madness ...

Rather than a technical manual, Welcome to my Country is rather a collection of short remembrances of patients whose struggles moved Slater on a level much deeper than doctor/patient. The,most powerful in the final, in which Slater weaves in her own experience of mental illness. This memoir, and particularly in this chapter, is an emot
