Literature is important for the same reasons art is important—it's a reflection of the world as seen through the eyes of the artist (or writer, as interpreter) Like art, provides a solidification, a product, a symbol made tangible, and as a product (intellectual), informs us, and sometimes the directions our lives take.

Why literature is important, or why art matters. | PLUMB

The 19th-century critic Walter Pater referred to "the matter of imaginative or artistic literature" as a "transcript, not of mere fact, but of fact in its infinitely varied forms." But such definitions assume that the reader already knows what literature is. And indeed its central meaning, at least, is clear enough.

Literature | Definition, Scope, Types, & Facts | Britannica

In the context of recent theory, the question "What is literature?" matters because theory has highlighted the literariness of texts of all sorts. To reflect on literariness is to keep before us, as resources for analysing these discourses, reading practices elicited by literature: the suspension of the demand for immediate intelligibility, reflection on the implications of means of expression, and attention to how meaning is made and pleasure produced.
