### Ethical considerations - Violence against women

The Culture of Domesticity or Cult of True Womanhood is a term used by historians to describe what they consider to have been a prevailing value system among the upper and middle classes during the 19th Century in the United States and the United Kingdom. This value system emphasized new ideas of femininity, the woman's role within the home and the dynamics of work and family. "True women", according to this idea, were supposed to possess four cardinal virtues: piety, purity, domesticity, and su
