Yes Is More An Archicomic

Yes is More is the easily accessible but unremittingly radical manifesto of Copenhagen-based architectural practice Bjarke Ingels Group, or BIG. Unlike a typical architectural monograph, this book uses the comic book format to express its groundbreaking agenda for contemporary architecture.

BIG. Yes is More. An Archicomic on Architectural Evolution ...

Yes is More is the rare book that combines a manifesto on the new (?) course architecture should take, the presentation of a large number of projects designed by the BIG Danish architecture power-house, a large number of anecdotes and stories related to all these projects, all wrapped-up as a comic. Overall, the manifesto is weak and the presentation is often self-servient, but the architecture, the stories behind getting projects done, and the archicomic ideas are fantastic.
