'Faulty in some way' is indeed the right expression, since European directives also include requirements for writing technical manuals (or any manual for that matter). This means that your technical manual is also subject to scrutiny. A manual is an integral part of the product and could lead to legal liability! 3. Follow the guidelines

@cerritas wrote:. Thank you for your response. I must say, having worked in engineering for 40 years in areas that touch on IT I am simply amazed that Comcast would ship the CGM4140COM without ANY reasonable documentation. If there are any Comcast Tech Support representatives monitoring this forum I would kindly ask them to forward this to their tip tier support management to resolve this issue.
