When did the voice inside your head start talking? I became aware of mine at about the age of 15. Up till that point, I had been a very happy and carefree child, but in a short space of time, I ...

The Voice Inside Your Head | Psychology Today
It is that voice in your head that will yell out, "she's better than you," that's going to make you feel unworthy. Your ego can destroy your self-esteem. It is that voice in your head that will make you always feel insecure, even when you're in a situation you know you're good at. This is what you need to understand.

That voice in your head... Is your ego

Your Voice in My Head is a candid, wrenching account of Forrest's descent into utter despair, self-mutilation, bulimia, and attempted suicide. She is young, a talented and successful writer, a London transplant living in New York; and she has realized that her "quirks had gone beyond eccentricity, past the warm waters of weird, to those cold, deep patches of sea where people lose their lives."
